María Toledo is coming back to the Cervantes to present *Corazonada*; an album composed and produced by the singer herself, the image of flamenco and the first woman in the history of the genre who sings accompanying herself at the piano. Maria Toledo always knew she would be a singer. With flamenco as a foundation, she lets her talent run wild to compose new songs with rhythms of tangos, *bulerías*, *tientos*, *sevillanas*, *alegrias*…that she accompanies with her broken, flamenco voice full of turns and moans, all of it with absolute creative freedom.
