This is the story of a woman who wasn't in a hurry. She wanted to have a daughter so much that she didn't care how long she had to wait. While she waited...she patiently took care of her little plot of land. One day, without warning, the long-awaited daughter arrived: Violeta. Violeta learned very quickly. Since she came to the world, questions bounced around her head without answers. The woman tried to explain that, luckily, we weren't all the same, that she was beautiful just as she was. But Violeta didn't understand. She wanted to be big already. She wanted to know everything, and now! She had to discover for herself. The woman encouraged her to go out, search and get to know what was outside. And so her fantastic voyage began...
