For Peneque's 50th anniversary, we're going to remember the story of Pino the puppeteer, who comes from 1959 to our times. Pino the puppeteer, whose only dream is having a small theater with marionettes and puppets, has been hired to perform but he makes a mistake and shows up a day early. Everything is a disaster until Godmother Tina shows up, who will make his dream a reality thanks to "The Big Book of Wishes". The curtain goes up and the puppet show begins. Brave Peneque and his friends Bolo the Wise, Filibud the Evil, King Kind, Witch White Hair and Princess Beautiful will live exciting adventures in which the children will help King Kind to get Brave Peneque's dream treasure back.

Brave Peneque's birthday party with balloons for all of the children.
