A fun theater piece including a varied mix of genres: mystery, humor and social weight. A strange voyage in any staircase of any neighborhood in a big city. A curse, clues to follow, many conspiracies and all a great find.

In Keyholes and Bolts, we will see that there's nothing more healthy than laughing at ourselves, accepting our mistakes and learning from them. Open the doors and you'll see what you discover!

Spectacle produced by the Cuarta Pared Company in collaboration with the Board of Culture and Tourism of the Community of Madrid and the Ministry of Culture &ndash; INAEM  
Associate company of Tveo and Artemad.
