JULIA MARTÍN y ÁNGELA HOODOO

Closing concert MaF 2024

Ángela Hoodoo is a singer, songwriter and guitarist who leads a personal project based on blues, folk and rockabilly. With one of the most unique voices on the American scene, Hoodoo has positioned herself as one of the most prestigious artists on the circuit. She will present her full-length album, *Coyote* (Folc Records, 2023), to the audience of the Echegaray at the Closing Concert of MaF 2024.

Julia Martín returns to the expanded programme of the Malaga Festival to show a preview of what will be her new work after *S.U.P.E.R.R.R.E.E.A.L.*, an album that has taken her all over Spain and which kicked off precisely at the Malaga Festival.
