Hurt and broken, the woman unable to follow her path enters this world of dreams in which she relives learning, indifference, its truth… and on closing her eyes, what happened disappears as quickly as it happened. This is nothing more than the fancy of a dream of real images that disappear on waking up.
The Compañía Flamenca La Lupi was founded in 1999. Comprising great artists of flamenco and other disciplines, as well as an outstanding technical team, it performs in the most important theatres and festivals all over the world.
