A-Marga is a tribute to Marga Gil Roësset, a figure overlooked in Spanish history. Her last hours, her last breath, her last gaze on life. “She carried her soul on the outside, and her body inside.” *A-Marga*, to Marga, writer, painter, sculptor…and suicidal.
In its ten years of existence, the Malaga Silencio Danza company, with Nieves Rosales as Director, has staged eight productions based on the use of language to transcend words and turn them into matter.
Silencio Danza is the winner of the 2016 Lorca Andalusian Theatre Award for Best Contemporary Dance Performer, the CINTA Award for Best Show for *No amanece en Génova* (Seville), Ateneo Dance Show Award for *Contadoras de garbanzos* (Malaga 2018) and for *Elías*. *Ensayo sobre el olvido* (Malaga 2017).
