Tierra mía is the story of two people who live in two parallel worlds that are completely different, and yet exactly the same. One of them lives in a village surrounded by a forest, whereas the other one lives just below, inside Innner Earth. This is an impassioned comedy in which two actors talk about the human condition and how our similarities are stronger than our differences.
Since its foundation in 1998, Pata Teatro as produced twenty-three shows. It has obtained two FETEN awards, ten nominations to the Andalusian Theatre Lorca Awards, five Malaga Ateneo awards, the Malagueños de Hoy Award, the 2019 PTV Malaga Culture Awards and on two occasions the rating of Show Recommended by the Spanish Theatre and Auditorium Network.
