Cercanías y confidencias is the most intimate project of the singer and composer Coti. “Writing a song is in some way like a confession. Each song encloses a confidence, although it has to be read between the lines or heard between the verses”, he says. Learning about why and where each song was created is the essence of this concert.
Double Grammy, Ondas Award in Spain, Oye Award in Mexico, Gardel Award in Argentina… Coti has spent more than twenty years filling the musical scene with fresh melodies and direct, spot-on refrains popularised by his voice and the voice of many others.
