This year Raimundo Amador is celebrating his sixtieth birthday and more than 4 decades devoted to music with a new album, the first since 2010, when he published *Medio hombre medio guitarra*. *60 Aniversario. Directo en casa* is a festive record full of emblematic songs recorded at home with his son Raimundo Amador JR. With him we wander through a mixture of many different musical roots, profound flamenco with a lot of jazz, blues and the house's brand of rock guitar. All of it with the quality and warmth, the freedom and spontaneity to which the genius has accustomed us.
