More than 120 characters hand in hand with six musician-actors to narrate with humour the fascinating story of three generations of the Lehman family, from its rise to its fall. From the time when Henry Lehman, the oldest son of a Jewish cattle merchant leaves Bavaria in 1844 and arrives in the United States in search of the American dream to the fall in 2008 of Lehman Brothers, one of the biggest investment banks in the world, which unleashed the worst financial crisis in history, the consequences of which we continue to suffer.
