Divinas palabras, subtitled *Tragicomedia de aldea*, is the most modern exponent, most perfect mechanism and the zenith of Spanish theatre, unsurpassed to this day. Tragedy, drama, comedy and grotesque elements all come together in this tragicomedy.

This incomparable work of Spanish literature is inhabited by ancestral images of death, bigotry, ingenuity, barbarism, greed, avarice and lust; but above all, out of this essential source, sexual freedom, always repressed, always condemned and so often prohibited.

Divinas palabras is one of the two or three most universal plays of our literary history, one which in this 21st century has not lost any of its corrosive power.” José Carlos Plaza
