## MANU SÁNCHEZ

*El buen dictador*

**HÜMOR CYCLE**

[The good dictator]

1.50 h (w/out intermission)

Following *El rey solo* and *El último santo*, Manu Sánchez closes the trilogy on Monarchy, Church and State with *El buen dictador*: a rabble rouser politician with a trite, populist discourse who will delight the respectable and impressionable audience. The definite rally turned into the most picturesque, amusing and musical of shows. A wolf in sheep's clothing will propose the most infallible of systems, the only one that has not yet failed because it is the only one that has not yet been tested. The solution for all problems is a nice-guy dictator. Do you want to take the risk?
